Quarterly Region 1B Chapters Meeting | Virtual Zoom

3:00pm - 4:30pm (PST)

4:00pm - 5:30pm (MT)

Join us to discuss security convergence- integrating physical security & information security. Kirk MacDowell and Derek Bliss will talk about trends in video surveillance (video analytics and cloud) and the practice of integrating physical security and information security within organizations, rather than siloing teams and strategies. Special guest Mike Petty will be speaking about ASIS Foundation updates and the great opportunities for the ASIS community.

Derek Bliss, CPP
Security Consultant
Operations Manager, Milestone Systems

Kirk MacDowell, CEO
